amendments to such FMP, in consultation with the other Councils concerned; or

(b) Require that the FMP and any amendments be prepared jointly by all the Councils concerned.

(1) A jointly prepared FMP or amendment must be adopted by a majority of the voting members, present and voting, of each participating Council. Different conservation and management measures may be developed for specific geographic areas, but the FMP should address the entire geographic range of the stock(s).

(2) In the case of joint FMP or amendment preparation, one Council will be designated as the "administrative lead." The "administrative lead" Council is responsible for the preparation of the FMP or any amendments and other required documents for submission to the Secretary.

(3) None of the Councils involved in joint preparation may withdraw without Secretarial approval. If Councils cannot agree on approach or management measures within a reasonable period of time, the Secretary may designate a single Council to prepare the FMP or may issue the FMP under Secretarial authority.

### **§ 600.115 Statement of organization, practices, and procedures (SOPP).**

(a) Councils are required to publish and make available to the public a SOPP in accordance with such uniform standards as are prescribed by the Secretary (section 302(f)(6)) of the Magnuson-Stevens Act. The purpose of the SOPP is to inform the public how the Council operates within the framework of the Secretary's uniform standards.

(b) Amendments to current SOPPs must be consistent with the guidelines in this section and the terms and conditions of the cooperative agreement, the statutory requirements of the Magnuson-Stevens Act and other applicable law. Upon approval of a Council's SOPP amendment by the Secretary, a Notice of Availability will be published in the FEDERAL REGISTER, including an address where the public may write to request copies.

(c) Councils may deviate, where lawful, from the guidelines with appropriate supporting rationale, and Secre-

tarial approval of each amendment to a SOPP would constitute approval of any such deviations for that particular Council.
